Sir:

SUPPLEMENTAL REQUEST FOR APPROVAL OF DRAWING CHANGES

Subject to the approval of the Examiner, Applicants respectfully request that Fig. 16X be amended as indicated in red ink on the attached copy of the drawing.

Applicants are submitting this Supplemental Request because one of the proposed amendments to Fig. 16X was inadvertently omitted from the Request for Approval of Drawing Changes filed on June 30, 2003. Consequently, this Supplemental Request includes all of the proposed amendments to Fig. 16X. For the Examiner's reference, the additional change made to Fig. 16X in this Supplemental Request (when compared to the original Request filed on June 30th) is that the designating line for reference numeral 113 has been extended, as indicated in the drawing. Prior to this, numerals 113 and 137 inadvertently pointed to the same location in the drawing. The proposed change corrects this graphical error.
